

OUTDOOR ELMORE

Blueways, Greenways and Outdoor Recreation Plan

What are your ideas for outdoor recreation in Elmore County?

If you care about the future of outdoor recreation in Elmore County — hiking, biking, ball fields, boating, kayaking, horseback riding, etc. — you must come and be part of OUTDOOR ELMORE!

Small group discussions will allow your ideas to be heard. Your ideas will help guide the creation of the Blueways, Greenways and Outdoor Recreational Plan for our county.

The Master Plan is an initiative of the Elmore County Commission aided by the Central Alabama Regional Planning and Development Commission that is being led by the citizens of Elmore County.

Join fellow county residents at one of the following Open House meetings.

March 13, Thursday	Holtville High School	5 to 7 PM
March 17, Monday	Coosada Elementary School	5 to 7 PM
March 18, Tuesday	Tallassee High School	5 to 7 PM
March 20, Thursday	Wetumpka High School	5 to 7 PM

The meetings will be open to all who live and/or work in Elmore County. Attend the meeting that is most convenient to you during anytime. All open houses will last two hours long with project team members.

For further information about these meetings, call Dale Brasher at 334-271-3200, email him at dale.brasher@gmcnetwork.com
